The screenshot shows the epicurious.com homepage. The background is a close-up photograph of colorful candy sprinkles scattered across a dark surface. At the top center, the word "epicurious" is written in a red, lowercase, sans-serif font. In the top right corner, there are social media icons for Facebook, Twitter, and Instagram, followed by a "Follow" button. To the right of the icons is a search bar with a magnifying glass icon. Below the search bar is a large, bold, white text "Find a Recipe". Underneath the search bar are two small links: "ADVANCED SEARCH" and "SEARCH RECIPES".

A small image of a dish, possibly a casserole or baked meal, is visible at the bottom of the page.

I like how easy it is to navigate epicurious.com from the home page.

The screenshot shows the allrecipes.com homepage. At the top, the "allrecipes" logo is displayed in its signature orange and yellow font. The navigation menu includes links for "DINNERS", "MEALS", "INGREDIENTS", "OCCASIONS", "CUISINES", "KITCHEN TIPS", "NEWS", "FEATURES", and "ABOUT US". On the far right, there are links for "GET THE MAGAZINE", "Log In", "Magazine", "Newsletter", and "Sweepstakes".

A banner at the top features a quote in Spanish: "Cricket nos ofreció unos tremendos planes y teléfonos gratis muy buenos" with a photo of a smiling woman.

The main headline reads "America's #1 Trusted Recipe Resource since 1997" with statistics: "113K Original Recipes", "6.9M+ Ratings & Reviews", and "60M Home Cooks".

Below the banner is a large image of a meal consisting of pasta, sausage, and Brussels sprouts. A caption below the image says "ONE-POT MEAL RECIPES" and "11 Simple One-Pot Meals Starring Brussels Sprouts".

To the right of the meal image is a "News & Trending" sidebar with several news items:

- PSA: You Might Want to Stock up on Sugar Now Before Prices Get Even Higher
- Lay's Is Bringing Back This Comfort Food Flavor After 4 Years
- Do You Really Need To Buy Baking Soda?
- Finally, Our Best Recipes From Over 25 Years Are Coming Together in a Cookbook

I like allrecipes.com because of its simple, clean layout.
